**Message from the Principal: Run the Race**

Well it's time! Time for our 39<sup>th</sup> annual basketball tournament. Time for our players and coaches to show the work they have put in all season. The players and coaches have put in hours and hours of practice looking forward to the tournament season. There is excitement around campus this week as we gear up for the tournament. I am proud of each of our athletes for the commitment they have put toward the game of basketball, representing their school and more importantly, representing their Savior, Jesus Christ.

I look at our time together as time well spent; however, more importantly, I look at the time we spend at Reformation Lutheran School teaching Christ as even better time well spent. With prayer, devotions, religion class, weekly chapel and all classes taught in light of God's Word, we spend a lot of time in it. This is time well spent! It is helping prepare students for the race of life ahead of them.

This reminds me of the words of the author of the Epistle to the Hebrews, "And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinners, so that you will not grow weary

and lose heart.” His words encourage us to keep training in the Word. This Word is what allows Reformation Lutheran School to teach an education that lasts more than a lifetime!

### **Update from Brennan Bailes**

This month the 2 and 3 year olds have been learning all about winter. They kicked off the beginning of January learning about snow. They were sad to learn that even though San Diego gets pretty cold it doesn't snow. But Miss Brennan had a surprised and the kids got to make their very own snow out of baking soda and conditioner. They discovered how cold snow felt and even got to make some of their very own snowballs. The children also had a blast making paper snowballs and throwing them at each other and Miss Brennan during our snowball fights. The children transitioned from snow to learning about both penguins and polar bears. They learned where these animals live, how they interact and got to make some of their very own penguins and polar bears to decorate the classroom with.

In the next month the children will be learning about ground hogs and all about love and kindness. Feel free to stop by and check out all the exciting activities that are happening with the 2s and 3s.
