Message from the Principal: The Temptation of Jesus

Some tough questions were asked in chapel on Wednesday. Here are some of them: How many of you have watched television instead of doing your homework? How many of you have watched a show that your parents wouldn't want you to watch? How many of you have let sports get in the way of worship? How many of you have not tried your best on an assignment? How many of you have vented or gossiped about someone rather than going to that person? How many of you have called someone a name? How many of you have ever hit someone?

Guilty and more guilty as I go through the list of questions. I have fallen into temptation over and over again. Many times, I have sinned. Jesus was tempted in every way we have been. However, unlike us, Jesus never succumbed to those temptations. He lived, thought and spoke in a perfect manner. Something you and I can never do despite our best efforts.

That perfect life let him be the sacrifice needed for our sins. All the times that we have fallen to temptation, you and I can leave at the foot of the cross knowing that Jesus took those sins upon himself. As we take the time this Lenten season to walk to the cross, let us reflect on the perfect life of our Savior, his death on the cross where his blood paid for all our sins and his resurrection which secures our place in heaven with him. To Jesus we look for the forgiveness of sins!

Update from Mike Ash

The children in grades 3-4 at Reformation have been busy this trimester. The students are learning their math facts. They are also memorizing the states and capitals of the U.S. The kids are studying about Earth and space in Science class. Many of the students are involved in basketball and they are enjoying the game. They are looking forward to our upcoming field trip to an indoor rock climbing facility on March 24.

Important Reminders –

1. It has come to our attention that students are coming to school without lunches. Hot lunch is offered at school on Wednesdays; otherwise, you are responsible for preparing and sending lunch with your children.

2. Here at Reformation, we strive to keep everyone campus safe. In some areas, this can only be done with your help! The parking lot is one of these areas. We would like to remind everyone to be extra careful when driving in the parking lot. The driveway is a tight space and it can be hard to see at both ends. We want drop off and pick up to run as smooth as possible so here are some things to keep in mind.

- ✓ We have several families that have handicap parking permits. Please do not use the two handicapped parking spaces in front of the gate even for a few minutes unless you are one of those families.
- ✓ It is a one-way so please enter the north driveway and exit the south driveway only
- ✓ Please do not drop your child(ren) off in the middle of the driveway as you drive through.
- ✓ Please do not park in the entrance or exit
- ✓ Please do not park by the sidewalk and block either driveway
- ✓ Please take extra care when driving in and out of the parking lot.
- ✓ Remember to keep your speed down and your eyes open for pedestrians

It is easy to become comfortable when driving in the same place day after day. We simply ask that you make the extra effort to remind yourself to slow down and help us keep the campus safe.

Thank You!
