**Message from the Principal: The Cross of Christ**

We have been blessed to give several tours this year. We get the typical questions about school. How is your curriculum? What sports do you offer? When can my child start to participate in sports? And another question, how is Lutheran and Christian different?

I answer that the Lutheran Church is part of the Christian church. I also answer that it begins and ends at the cross of Jesus. We focus on Jesus and his perfect life, his death for the world's sins and raising again to give us eternal life. The entire Bible tells about the unfolding of our salvation found in Jesus.

As Jesus told Martha at her brother's funeral, *"I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die."*

This knowledge is what makes Reformation Lutheran School provide an education that lasts more than a lifetime!

**Update from Brigetta Guelker**

This month is our second favorite month of the year. It's Dr. Seuss month!!!! If you step foot into our classroom you will be transformed to the wonderful world of Seuss. Even our students have been transformed. Needless to say, we have been celebrating a book by Dr. Seuss each day. We have had a lot of fun learning about him and the wonderful stories he has written. We have used his books in

helping to learn rhyming words, counting in different ways, sounding out words and solidifying our letters. Each day is a new adventure to be had.

This month we have also had the wonderful opportunity to use our voice and musical abilities to sing praises to God in Church. The children are all so talented and love to sing praises to their Lord, which melts my heart. Coming up, we have a fun field trip planned for Legoland. We will enjoy the wonderful world of Legos and participate in a Lego hunt. As you can see, it is a very busy month!

## **Important reminders!**

The lost and found is overflowing once again. Please take a moment to see if your child has temporarily misplaced anything. All items will be donated to a local charity after the end of school on Friday, March 24.
