Message from the Principal: Jesus Christ is King

This week in chapel, I asked the students the following question: What would you do if the Queen of England announced that she was coming to visit your house? Answers that I received were - clean the house, buy nice decorations, cook a gourmet meal and even make sure there was going to be great entertainment. We then compared that to how we treat our real King, Jesus Christ!

Sometimes we don't want to listen to him, other times we don't want to obey him and still at times we don't want to worship Jesus Christ our King. We are not always nice to our King. In fact, at times we are downright disrespectful to him. I would think that many of us have forgotten about our King at times, and all of us are guilty of doing the opposite of what our King wants us to do.

Yet, that is why our King wore a crown of thorns, was spit on, blind folded, beaten, and ultimately nailed to the cross. As Jesus stood before Pilate, he was asked, "Are you the King of the Jews?" Jesus answered, "It is as you say." Then he carried his cross to his own execution to be our sacrifice. Our King, our Savior, our friend, now rules the heavens and earth. May we look forward to worshiping our Savior and King!

Update from Adam Bohl

You can tell we have entered the later part of the school year in the upper grades. Many of the students are starting to discuss high school plans and making plans for school after Reformation. They have been

working hard in class to make sure they have good grades! We are studying chemistry in Science class and how atoms form molecules and compounds. It has been hard, but lots of fun. The students are excited because it means that we will get to blow things up in science lab soon!

The upper graders have also been working hard on the musical for this spring. We have many soloists and actors in our classroom. They are excited to be able to present ***Go Go Jonah!*** in May to everyone!

Congrats to all of the students in our class who participated in the Fine Arts Fair at CLHS on March 25. Most of the students in our class were involved in forensics in one way or another and they all received excellent or better! Way to go!

Mr. Bohl

A big thank you to all the volunteers who helped make last week's Fine Arts Fair a success!
