### Principal's Message – Fix Your Eyes on Jesus

Do you have the same problem as me? I have the remarkable ability to move from one thing to another, to another, to another, and so on without much thought, all the while struggling to get one of those things done. Often as I am in my office in the afternoons, this is what happens. At home, I find so many things I want to do, I eventually accomplish very little. Often times, as I attempt to fall asleep, my mind acts the same. How can I break the cycle?

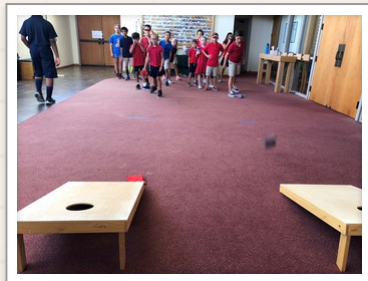

Our theme for this school year has really helped me. And we are only 1 week into the school year! Fix Your Eyes On Jesus! It is really hard to focus on two destinations at one time. The world is really good at grabbing our attention and getting us off track. After a while, that is dizzying and tiring. So, concentrate on our Savior. I realize I need my private time in the study of the Word. I am making it a priority to sit down each morning in my office to be in God's Word and look for the kind of example that Jesus has set. I pray you all make this a priority in your life too. We make this a priority in each classroom each day.

Today, as we run the race marked out for us, let us all fix our eyes on Jesus. Let's not look back, or around, but let's fix on Jesus and be filled with the peace that can only come through him, be filled with the confidence in Him that he will keep his promises, and have the hope of eternal salvation through his death and resurrection.

God's blessings to all the teachers, parents, students, and staff this year as we all fix our eyes on Jesus in everything we do!
