Principal's Message – Come and See

John 1:39,41- *"Jesus said, 'come and see.' They went and saw the place where Jesus was staying. The time was about four o'clock in the afternoon. They stayed with Jesus the rest of the day. The first thing Andrew did then was to find his brother Simon. He said, 'We have found the Messiah!'"*

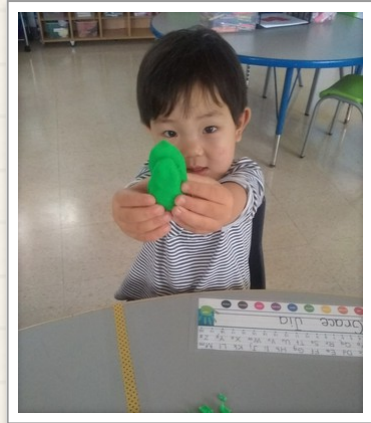

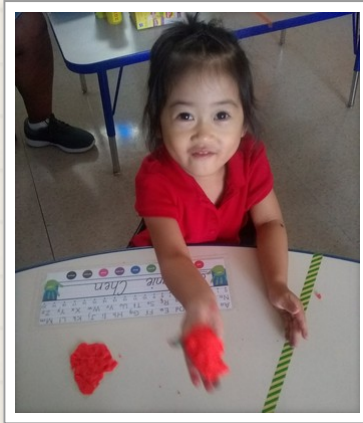

I love what Andrew did here! He was so excited that he immediately went to his brother and shared about Jesus.

We have had quite a few tours here at the beginning of the year and we are hearing things like, "we live close by and we just wanted to come and see what you were like," or "my friend told me to come check your school out." These people are not hesitating to just "come and see" if our school is a good fit for their family. We LOVE to have these types of conversations with people. We love meeting friends of our current school families! So, thank you for sending them. You, as current school families are the best people to reach out to others and say, "you know what? I know of a school or preschool that you might be interested in!" Please keep doing that. Our school is pretty unique. We are a family (from all sorts of different backgrounds) gathered around God's Word and strong academics.

Not every single tour turns into a registered enrollment for our school, but every single tour turns into an opportunity to share the love of God that we all have, to share the message of our Savior! Thank you for sending people to check out Reformation, keeping sending co-workers, family members, and friends to just "come and see!"

God's blessings as we all keep reaching out to our personal communities with the message of God!
