WEEK OF JANUARY 26 – FEBRUARY 1

REFORMATION  
LUTHERAN SCHOOL

## Principal's Message –

I really liked this devotion from Pastor Mark Jeske from Time of Grace. It covered some of the topics that we were educated on at the Lutheran Leadership conference last week in Chicago.

As leaders, we try to recognize people's gifts and how they can use those gifts in service to the LORD. Also, we JUST talked about this in my 6th grade class this morning! We discussed that God allows this sinful world to keep going, so that more and more people may know about his love. That's why it is so important for us to learn and grow in HIS Word, so that we can share that with our friends, neighbors, co-workers and family members.

I pray that you may find a new way to serve the LORD through your gifts and I pray that it brings you joy!

## School Illnesses

As many of you may know there is a severe case of the flu going around. If your child has a fever of 99 or greater please keep your child home for a minimum of 24 hours. Your child may return to school once their fever is gone and they are not on any fever reducing medications.

If your child has a severe cough, green mucus from nose, diarrhea, or throwing up please help us and your child by keeping them at home.

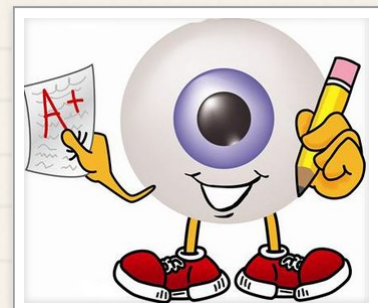

The staff will be on high alert for any flu like symptoms. Should a child have any you will be called to come a pick your child up. Thank you so much for your understanding.

## THE THREE-YEAR-OLD PRESCHOOL CLASS TAKES A LOOK AT THE "CHILDREN OF THE WORLD - CHINA"

## Free Vision Screening

On February 5-7 California Elks Major Project will be coming to Reformation and offering free vision screening to your child. This screening is not a substitute for a doctor's eye exam. This vision screening is offered to children in the following: preschool, kindergarten, 3rd grade, 5th grade 8th grade, and any new student. If you would like your child to participate please fill out the form that was sent home and return them back to your child's teacher by Monday Feb 3rd. If you would NOT like your child to participate please return the paper with DO NOT PARTICIPATE.

Secondly If anyone is able to volunteer to help during those date I would greatly appreciate it. I need one volunteer who will be willing to go and get the children from their classrooms, and another volunteer who is willing to sit in the room with the screener. Here is the link below

## Open House Nights – Invite a Friend!

This past week, your student brought home a flyer about our upcoming Open House, which is Friday, Feb. 7, 6-8 pm and Monday, Feb. 10, 6-8 pm. Please use this flyer to invite someone you know to attend this event and learn more about our school! As someone who has made Christian education for your child a priority in your family, you are one of the best people to share our school with other potential students and families. Reformation provides 3 things to the families of Clairemont and San Diego: excellent Christian Education, family atmosphere, and strong academics.

And don't forget about our Family Referral Program! If you refer a family who enrolls a student in our school or preschool, you could become eligible for a \$300 referral credit. (More information here <http://reformationschoolsd.org/school-information/family-referral-program/>).

You are welcome to attend the Open House also, as you may want to get a sneak peek into your child's classroom for next year or upcoming years.

We also have a Facebook Event for the Open House, if you would like to share the information with family and friends that way. And, we have more flyers in the school office!

Will you help us get the word out about our awesome school in another way? Take a few minutes to share your opinion about Reformation Lutheran School by writing a review at any or all of the following:

## Sports Update

The Reformation Boys A and Girls A teams took 1st place in the Reformation Basketball Tournament last weekend. Great job teams!

The Boys A Team will have two home games on Friday, February 7, at 1:00 pm and 5:00 pm. The Boys A Gold Team will play at 1:00 and the Boys A Blue Team will play at 5:00.

The Girls A Team will have two home games on Friday, February 7, at 12:00 pm and 2:00 pm. Come cheer on the Raiders!

## Tech Tip

### Do You Know What's On Your Phone?

When was the last time you looked at your phone? According to my site analytics there's at least a 30% chance that the answer to that question is "right now." But when was the last time you looked at all the stuff that's on your phone? How many files do you have that downloaded (knowingly or unknowingly) that you needed to look at just once? What about that app you thought you'd use all the time that you haven't used in months or years? The point is, we all have things cluttering up our phones that we don't need.

### Three Benefits of Cleaning Up Your Phone

- It could run better without all of those little files that don't need to be on it. Cumulatively, they could be hogging up a bunch of space on your phone.
- Removes security risks. If you have some apps on your phone that you haven't used in a long time, there's good chance that you've forgotten what kinds of permissions you've granted it. And if it's an app from a small developer, it might not even be supported anymore which means they're not paying attention to permissions and security either.
- Preserve your battery by removing apps that you don't use that might be running in the background and eating away at your battery.

## GOOD SHEPHERD BIBLE CAMP 2020

There are all kinds of things to do at a camp in the mountains .....

bible study/discussion, archery, swimming, canoeing, hiking, games, basketball, crafts, volleyball, scavenger hunt and EATING (the best food next to Mom's). A full week of fun starting on Sunday, July 12, for six days and six nights in the San Bernardino mountains of Southern California near Jenks Lake.

Three GREAT meals and snacks are provided every day! Bring no extra money or food.

Tailored activities for each of three age groups:

Juniors (4th and 5th grades)

Intermediates (6th, 7th, and 8th grades)

Seniors (9th and 10th grades)

Mark your calendars now and look for registration information to come.
