Questions on School Policies

Additional School Policies:

Shepherd's Care

Reformation Lutheran School has a before and after school program on site for school age children enrolled in Kindergarten through 8th grade. (Reformation also maintains a state licensed child care facility for children ages 2.5 through 5 years old). These facilities provide supervised care for children before and after school hours. Shepherd's Care AM hours are 6:00am until 8:15am. Shepherd's Care PM hours are 3:15pm until 6:00pm. When school is dismissed at 11:50am, Shepherd's care PM will be open from 12:00pm until 6:00pm. An annual calendar will be published listing the days the Shepherd's Care program will be open and closed.

Pets Policy

For the health and safety of all our students, no non-caged pets/dogs are allowed out of the cars on campus during school hours, Shepherd's Care hours, or any school functions.

Pictures of Students

It is our policy at Reformation to regularly photograph our students as they participate in a variety of activities in and outside of the classroom. We will use these photographs in our recruitment materials, both printed and on the internet. The names of the students in these pictures will not be published by the school. As a part of the enrollment process parents agree to this policy. However, the parents may submit a form requesting that their child not be used in any of our materials. A copy of this form is available in the school office. By not filling out this form you are granting Reformation Lutheran School the right to use photographs of your child in recruitment materials.

Chromebook Policy:

Reformation Lutheran School uses Chromebooks in grades 3-8th grade. These devices are property of Reformation Lutheran School while students are attending Reformation. The supplied instructional device's function will provide each student access to required educational materials needed for each student to be successful. The Chromebook allows student access to Google Apps for Education, as well as other educational web-based tools, and many other useful sites. The supplied device is an educational tool not intended for gaming, social networking, or high-end computing.

Questions on School Policies

Parents with questions on any school policy are invited to bring these questions in writing to any member of the Board of Education for consideration at a regular Board of Education meeting. The parents will receive a written answer as soon as possible.

Additional School Policies:

Parking Lot Procedure

While delivering and picking up children at the school, parents and others operating vehicles for this purpose shall observe the traffic patterns established by the school. Only the front parking lot is used on school days. Cars should not travel more than 2 miles per hour in the driveway or parking lot. Any driver who wishes to leave a vehicle while delivering or picking up a student must park in a designated parking space with the car's ignition turned off so as not to obstruct other vehicles. Reformation Lutheran Church and School is not responsible for any damage or injury in the parking lot.

School Hours

School hours are set prior to each school year. Currently, the school day begins at 8:30am and ends at 3:00pm. Children may enter their classrooms beginning at 8:15. All children should be in their classrooms reading for instruction by 8:30. All students on campus prior to 8:15am or after 3:15pm must be signed into Shepherd's Care. An exception would be a student in special after-school classes or on the grounds with permission from our Principal for a specific purpose. Parents picking up children after school are asked to refrain from entering the classrooms until the class is dismissed.

Parent-Teacher Consultation

Parent-teacher consultations will be held shortly after the first trimester of the school year. If either a parent or the teacher feels that additional consultation is needed, arrangements will be made for a conference after school hours.

School Visitation by Parents

Parents are invited to visit their child's classroom any time. We ask that parents call the school office at least one day in advance to notify the teacher of their intentions. If you choose to visit our school while it is in session, please check in with the school office prior to entering the classroom.

Reformation Raiders School Newsletter

Parents will be kept informed of coming activities by means of the *Reformation Raiders School Newsletter*, our weekly school newsletter that contains news of general interest about the school. This newsletter will be emailed to all families who submit an email address. A hard copy is available upon request. This is Reformation Lutheran School's primary form of school-to-home communication.

Welcome Letter from the Principal

Dear Parents,

Our children are a very precious gift given to us by our loving Heavenly Father. Thank you for entrusting Reformation Lutheran Church and School with this gift. It is our honor to work with you to train your child to know the love of their Savior Jesus Christ. The faculty of Reformation Lutheran School along with the pastors, staff, and members of Reformation are dedicated to bringing you and your family God's Word in its truth and purity.

Since 1970, Reformation Lutheran Church and School has been reaching out to the people of our community with God's Word. We provide a place where parents can send their children to be instructed in all subjects in accordance with that Word each and every day. We are grateful to the Lord for the many blessings He has given to the ministry of the school here at Reformation.

One of the keys to our success is the close working relationship between the school, the parents, and the church. It is truly amazing to see what God can accomplish when all three of these groups work together to look after the spiritual, physical, and academic needs of our children. It is our prayer that this close working relationship will continue and many more families will hear the amazing story of their Risen Savior.

This handbook is a guide for you, the parent, to better understand the way in which we carry out the ministry at Reformation Lutheran School. In it you will find the philosophy, objectives, policies, and programs of Reformation Lutheran School. Please read over this information carefully and discuss its contents with your children. If you have any questions regarding the information please contact me at 858-279-3311.

In Christ's service,

Michael Ross, Principal

Any pictures or videos taken on campus cannot be published in any form without the written permission of all parties photographed and the Board of Education.

Scriptural Foundation

Reformation Lutheran School is founded on these eternal truths as revealed in God's inerrant Word

1. The Holy Scriptures are God's Word and are inspired, inerrant, infallible, and supreme in all matters of doctrine and life. (*2 Peter 1:21; 2 Timothy 3:16; John 17:17; John 10:35*)
2. There is only one true God, Father, Son, and Holy Spirit, and He reveals Himself to us in the Holy Scriptures. (*1 Timothy 2:5; Matthew 3:16, 17; Matthew 28:19*)
3. God created all things in six normal days and created man as the crown of that creation. (*Genesis 1; Psalm 8:4-8*)
4. Mankind's fall into sin has corrupted the nature of every human being, making all people guilty of sin and therefore subject to God's judgment of eternal damnation. (*Isaiah 64:6; Romans 3:9-19, 23; Romans 5:12, 16; Romans 6:23*)
5. God, through his grace, love, and mercy, sent His only Son, Jesus Christ, to suffer and die to pay for the sins of the whole world. (*John 3:16; Romans 5:6-8; 1 John 2:2*)
6. All who, through the work of the Holy Spirit, believe that Jesus Christ is their Savior receive forgiveness of sins, life, and salvation. (*Romans 5:1; Romans 8:1; Titus 3:4-7*)
7. As a believer in Jesus, a Christian will strive to show love to God by using personal gifts and talents to help spread the Word of God. The Christian will also help fellow Christians and all people in every way that is consistent with God's Word. (*Matthew 25:31-46; Matthew 28:19; Psalm 51:10-13, 15; 2 Corinthians 5:14, 15*)
8. The Lord has given to parents the primary responsibility for the Christian training of their children. (*Deuteronomy 6:7-9; Ephesians 6:4*)
9. The Lord has also given to His church and every Christian congregation the responsibility to assist parents in the training of their children according to the Scriptures. (*Matthew 28:20; John 21:15-17; Ephesians 4:11-16*)
10. A congregation calls pastors and teachers to function in its midst as ministers of the Word of God. (*1 Corinthians 12:28; Ephesians 4:11, 12*)

Grade Placement:

Prospective students are generally placed in the grade to which they have been assigned or promoted by the transferring school. Reformation Lutheran School reserves the right to require any student to be tested, at the parents' expense to determine proper grade placement both before and after final acceptance of the child as a student. The school further reserves the right to determine and adjust any grade placement of any child before or after final acceptance of the child as a student. Please understand that new students and those who transfer in mid-year may have a difficult transition and *it is imperative that the school and the parents work together to help the student.*

Additional School Policies:

Student Health

Please keep your child home from school if ill. A child with any kind of rash, lesions, or any suspected communicable disease should be kept out of school until diagnosed by a physician. A child should be fever-free for 24 hours before returning to school. If vomiting and diarrhea are present, the 24-hour policy is also in effect. If your child needs to be excused from P.E. or recess, or has special limitations due to illness or injury for more than three days, a doctor's note will be required.

Communicable Disease Policy

In the event of an outbreak of a communicable disease, parents will be notified by phone, special note, and/or a special newsletter announcement. Parents are asked to keep children at home and consult a doctor if their child shows symptoms of pink-eye, chicken pox, flu, and the like.

Head Lice

A child cannot be in school with untreated head lice. A child will be excluded for 24 hours after treatment and may return to school if no live lice and no nits are seen. Exclusion will be made if nits are found. Check your child's head on a regular basis and notify the school if you find head lice on any member of your family.

Immunizations

According to state law, all children entering school must be immunized against diphtheria, tetanus, pertussis, polio, measles, mumps, and rubella, Hepatitis B and Varicella. All students entering grade 7 must show proof of having a Tdap (Tetanus, Diphtheria, Pertussis) booster. Your child will not be allowed to enter school until the immunization requirements have been met. Students who cannot be vaccinated due to medical reasons may receive a legal exemption form from their doctor's office. The school must retain documentation of immunizations and exemptions.

Medication Policy

Medication must be given to students at home. Written authorization from a physician along with our school's Medical Consent Form must be received before medication can be administered at school. A new medication authorization from parent and doctor is required if you have any change in the dose or time of medication or if you have a change in medication.

Additional School Policies:

Extracurricular Overview

Our students are encouraged to participate in extracurricular activities during the school year. Athletic events include a track meet, basketball, soccer and volleyball games and or tournaments, which are held at Reformation or at WELS schools in the area. Throughout the years, Reformation has been able to offer a variety of clubs for our students based on their interest, abilities and willing volunteer leaders. Some of these extracurricular activities include FIRST LEGO League and yearbook. Reformation cannot guarantee that all extracurricular activities will be offered every year. However, each year Reformation sends a team to the regional Academic and Fine Arts Festival at California Lutheran High School in Wildomar which includes math bowl, forensics, spelling bee and a music competition. The school has an annual Spring Program featuring various creative talents. We are committed to finding ways for students to develop their God-given gifts and abilities. Please understand that our program may change each year depending on the gifts and desires of the student body as well as the abilities of our faculty.

Interscholastic Sports Programs

Sports give our children special cognitive and social skills needed for growth and development. At this time, Reformation offers volleyball in the fall, basketball in winter, soccer and track in the spring. We have several coed volleyball teams, and boys' and girls' basketball teams, which compete against other WELS schools in the Southern California area in all events, as well as a league of smaller schools in the San Diego area.

Reformation also may be a part of other Christian leagues. Sports teams normally consist of students in Grades 5-8. To be eligible for teams, the child must hold a C average or better in all of his/her classes, as well as a satisfactory rating in classroom conduct. Participation in some sports may require additional fees.

Admission Policy:

Grade Adjustment:

At Reformation we follow a philosophy of retention based on doing what is best for each student as well as evaluating the academic standards of each individual student. We work with the teachers and parents to determine the appropriate grade for each student. Reformation Lutheran School reserves the right to deny any enrollment request.

Student Records:

Satisfactory scholastic, health and immunization records required by law in the state of California are required from all prospective students. Upon enrollment, the principal shall send a request to the previous school for the student's records, which are then placed in the student's file.

Age of Entrance Requirements:

The age requirement for entering our school follows that set by the public school system. To be enrolled in Kindergarten, children must have reached their fifth birthday by the first day of September.

Community Member Requirements:

If accepted, community member students are enrolled on an annual basis. New community member students will be enrolled on a provisional status. If the Board of Education believes that the student or parent is not meeting our expectations for students and/or parents; the student will be asked to withdraw from Reformation Lutheran School.

Non-Discriminatory Policy:

Reformation Lutheran School admits students of any race, color, nationality and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of sex, race, color, or national/ethnic origin in administration of its educational policies, admissions policies, athletic or other school administered programs.

Academic Policy:

Annual Calendar:

A complete school calendar, listing vacation dates and other important school information, will be distributed to each family prior to the beginning of the school year or upon admission. An updated version of the school calendar is available on our website.

Course of Study:

Reformation Lutheran School offers those subjects commonly taught at the elementary school level, in compliance with the California Department of Education. Curriculum requirements will be met by using textbooks chosen by the staff. In keeping with the philosophy of the school, all subjects are to be taught in the light of God's Word. Our academic approach is to prepare children not to just meet the standards set by our State and Nation, but to reach their full potential using their God-given gifts and abilities. Many of our graduates test out of freshman level courses and/or into AP courses at our local public and private high schools.

Tuition will increase to the non-member rate effective the first of the month following membership termination. Registration fees are not refundable.

Disenrollment

- Families who withdraw their child or are terminated after they begin attending classes will receive a pro-rated refund of tuition fees paid.

Financial Policy:

Student Insurance

Students are covered under Reformation's general umbrella policy while they are under the school's care.

Tuition and Fees

The congregation of Reformation Lutheran Church assumes the financial support of the school. Members of the church underwrite the agency for teaching God's Word with voluntary and proportionate giving to the Lord by way of the church treasury. Community members are not charged for any other service of the church, but are asked to pay tuition for school because of the school's operating costs. It is important to the ministry of both Reformation Lutheran Church and School that your tuition payments be made on time. **All tuition payments are due on the fifteenth of the month and become late after the sixteenth day.** Failure to either pay tuition promptly or make arrangements for payment with the Board of Education or Financial Secretary will result in suspension of the child. We use FACTS Tuition Services to collect tuition. An account should be set up for you at orientation. If you have any financial questions you may contact our financial assistant at financial@refsd.org.

Registration Fees

A registration fee is required for each child at the start of the school year. The Board of Education establishes this fee each year to help cover the costs of replacement textbooks, workbooks, duplicating paper, art supplies, paper towels, etc. The fee also reserves your child's seat in the classroom. The registration fee is not refundable. No books will be issued to the child until the registration fee has been paid or proper payment arrangements have been made with the Board of Education or Principal.

Religious Book Fees

Students will be required to purchase the religious books used in their class. Such books may include a Bible, Bible History Text, Catechism, Memory Book, and Hymnal. These books become the permanent property of the student. We would recommend that you put your child's name in their books in case they are left at school.

Tuition Payments

Tuition payments will be paid in accordance with your financial contract. If a child is suspended for nonpayment of fees, and the parent still brings the child to school, the student will be sent to the school office and the parent will be contacted to arrange transportation for the child. (Financial Suspension means that your child/children will not be allowed to attend school. Financial suspension will remain in effect until you pay your over-due balance is paid in full or a payment plan has been approved by the Board of Education.)

Payments Due

- Monthly tuition fees are due by the 15th of each month.

Academic Policy:

What we expect from parents to achieve academic excellence:

1. **Homework supervision:** Reformation Lutheran School expects parents to take an active role in their child's education. **Punctual, responsible completion of assigned work will enable our students to maintain high standards of achievement at Reformation.** This achievement starts in a home environment that places an emphasis on good study habits. Parents are invited to discuss homework and study habits with the teachers at any time. Since teachers and parents are concerned about the children's progress in school, it is therefore essential that their work be completed punctually. We encourage parents to do their part by requiring such diligence from their children. Work not done on time will receive a reduced grade.
2. **Regular attendance:** Parents are asked to make every effort to schedule doctors' appointments and vacations so that they do not interfere with the student's academic instruction.
3. **Timely feedback:** Parents are asked to respond to teachers questions and concerns in a timely manner. It is imperative the parents and teachers are able to communicate openly and honestly on a regular basis so that student needs are addressed. If you see a problem with your child's progress, please set up a meeting with your child's teacher.

What we expect from students to achieve academic excellence:

1. **Best efforts:** Reformation Lutheran School expects every pupil to work to the best of his or her God-given ability.
2. **Assignments done completely and on time:** Every pupil is expected to take the role as student seriously and complete school work in the timeframe it was assigned.
3. **Seek assistance when needed:** Reformation Lutheran School expects every pupil to assist the teacher by seeking help when not understanding.

Student Records:

Records will be kept to chart the children's academic, physical, emotional and social growth for improving their instruction.

Jupiter Grades:

Report Cards to inform parents of the children's progress in academic and Christian attitudes will be issued using Jupiter Grades. Jupiter Grades is a web-based tool designed to help parents keep track of their child's academic progress. Each student will have an account the parents can use to check their child's progress online. Therefore it is the parent's responsibility to check this website to stay informed. Log-in information is available by contacting Mr. Mike Ash at ashm@refsd.org. We will have parents sign up for Jupiter Grades at registration/orientation.

Student Testing Program:

Our school follows one of the two programs endorsed by the Wisconsin Synod, which currently includes testing materials from NWEA MAP Testing. All students in Grades 3rd - 8th are tested. Individual and class results of these tests are used for the guidance of the individual child and for general school and class curriculum planning. Reports of test results are given to parents upon their request, and copies are retained in the school office.

Homework and Study Habits:

Homework is a cooperative effort on the part of the student and parents. Parents should not excuse late work and let extra-curricular activities interfere with their students' homework. Students in grades 1 through 8 receive a student planner on the first day of school. Each day they are encouraged to write their current and upcoming assignments in the planner. Parents are encouraged to help the student with the planner and keeping it up to date. Students are ultimately responsible for being completely prepared for school each day, which means homework should be finished the night before school not during the morning hours before school (such as in early morning Shepherd's Care).

Dress Code Policy:

General Rules

1. Garments, backpacks and accessories must not display any of the following: profane, sexually suggestive, obscene language or pictures, vulgar gestures, racial, ethnic or sexist slurs, messages about drugs, alcohol, or tobacco, images depicting violence, gang related graffiti, promote famous personalities, or music trends.
2. Tattoos or other body markings (whether permanent or temporary) will not be permitted. Any student with a preexisting tattoo or body marking must keep it covered at all times during the school day and at all school related activities.
3. Hair should be neatly groomed and kept away from the eyes. Hair may only be dyed to a natural hair color. This rule does not apply to students who use temporary hair dye during "Spirit Week".
4. Hair extensions should match the style and color of the student's hair.
5. Patterns or words should not be shaved into the student's hair.

If you are unsure about whether or not an item or outfit meets this dress code, please talk to the Principal/Vice-Principal before wearing it to school.

Academic Policy:

Religious Instruction:

As the child progresses through the grades, he or she also progresses in the knowledge of Biblical truths. Systematic study of the chief parts of Christian doctrine, prayers, hymns, and Bible verses helps to make religion a part of every child's life. Every child is also expected to take part in regular church services, daily devotions and other religious projects. Memory work is required in each grade, including Kindergarten. During seventh and eighth grades, **our children receive instruction in the chief parts of Christian doctrine as it is taught in the Wisconsin Evangelical Lutheran Church.** Our basic textbook is the Holy Bible. We use the Small Catechism, written by Dr. Martin Luther, as our guide to systematically study the teachings of God's Word.

Chapel and Mission Offerings:

Children's chapel services are also held on a weekly basis. We also encourage our parents to attend this service. The children will be given an opportunity to give a weekly offering for mission work. We encourage parents to discuss with their children this phase of being good stewards of God's gifts and then determine the children's weekly offerings.

Church and Sunday School Attendance:

Attendance at worship services and Sunday School is a vital part of every child's training at Reformation Lutheran School. Each teacher, by word and example, will encourage regular Sunday attendance by all children. Parents, in turn, are expected to do all in their power to assist the child's spiritual growth and welfare. God admonishes us, and children, not to despise His Word, but to consider it holy and gladly hear and learn it.

Special Worship Services:

Certain dates are set aside during the church year for special religious services commemorating important events. All parents are highly encouraged to attend these special services.

Classroom Singing in Worship Services:

The children learn and rehearse songs of praise in school. A part of the school curriculum involves the performance of these songs in our weekly worship services. All students are expected to attend services and participate when their class or group is scheduled to sing. There are two very good reasons for this:

1. Spreading God's Word in song is a most gratifying and rewarding privilege
2. Singing in church is a part of our school music program, and serves as a culminating activity of student work.

A commitment form agreeing to this requirement is signed by all parents as part of school registration. A calendar listing the times the students sing will be issued to the parents at registration. Should an emergency arise, students who are unable to attend when their class or group sings are to present a written parental excuse to the supervising teacher. Students are also expected to dress appropriately since they will be representing the school to the congregation. The standard of dress must at least meet if not surpass the standard for the typical school day. (See the dress code for a more detailed description)

Academic Policy:

Attendance, Tardiness and Absences:

In accordance with the laws of the State of California, all pupils are required to attend school regularly. Each absence or tardy must be excused by a parent or guardian, in written form, email, or by calling the school office (858-279-3311—not Shepherd's Care) by 8:20am on the morning of the tardy, absence, or illness. Leave all messages on the main office system. State health and safety officials may also require a doctor's written approval in some instances for re-admittance into school after an illness.

We ask that every effort be made to schedule all appointments, dental or doctor, for non-school time, out of consideration for the child, his/her classmates, and the teacher. Excusable absences are those resulting from illness, medical, dental, optometric appointment, or bereavement. Examples of nonexcusable absences are absence from school to run errands for parents, absence from school to help care for children, absence from school because of family travel or vacation plans unless pre-approved by the principal. Planned absence from school for any reason will be marked as "unexcused" unless the planned absence form has been submitted to the principal at least 2 weeks prior to the planned absence. Submitting the form does not guarantee that the absence will be excused. Other factors such as the students' grades, their ability to keep pace with their class, their history for missing work and the reason for the absence will be considered before the absence will be excused. An email sent to the principal two weeks prior to the planned absence will be accepted if the email includes the following information: Student name, date of planned absence, reason for absence, if child has any problems completing homework, and if student has a "C" average or better in all academic subjects.

All classes and assignments missed during nonexcusable absences will be given a grade of a "0%".

It is necessary to stress how important it is to have your child present every day. The first trimester lays the foundation for the entire year, and every school day prepares for the next. All subject material for the school year must be completed before promotion will be considered.

Teachers will keep track of all tardy time. If a student is more than 30 minutes late, an unexcused absence and not a tardy will be recorded. Students may receive an out of school suspension after the 5th, 10th, and 15th tardy per trimester. After the 15th tardy in a trimester the parents of the student may need to meet with the Board of Education to discuss the future enrollment of the child at Reformation Lutheran School. Please make every effort to help set an example of responsibility and punctuality for your child. Many students require 15 minutes to prepare themselves for the day's events. Therefore it is recommended that students arrive at school by 8:15 am. If a student is on campus but not ready for the day, they may be marked as tardy. Nonscheduled meetings with your child's teacher should take place before 8:15am or after 3:15pm.

Dress Code Policy:

Each student on the campus of Reformation Lutheran School will be attired in approved clothing while school is in session and that child is in attendance. This policy, which delineates the approved attire, is to be provided to parents and guardians of students upon enrollment, at the beginning of each school year, and throughout the school year by request. Shoes, socks, hair ties, and outerwear selection should be in accordance with this uniform policy. Dress Code Policy:

The School's Role:

Reformation Lutheran School recognizes its responsibility to guide its students toward respectability and decency in all matters. It is our intention to provide parents with a standard of school clothing appearance. As stated earlier in this handbook, it is our mission to assist parents. We will inform you when your child is not meeting the dress code standard and we will work with you to ensure that the problem is resolved in a timely manner. The school will view refusal to comply with the dress code policy as an act of defiance and may lead to detention or suspension.

Dress Code Policy: The Parent and Student's Role

All students are expected to comply with the uniform policy. The Parent is ultimately responsible for the clothing a child wears to school. Therefore, parents must be aware of the dress code policy in order to prevent students from coming to school wearing the wrong clothing. Parents should ensure that their children are appropriately dressed for the weather that occurs or is expected to occur on any particular day. Students will typically have recess periods outdoors, and weather changes during the day may make some attire inappropriate for outdoor use during these periods. Parents are responsible for making sure that children have clothing that fits their stature. This may require purchases in winter or spring as your child grows throughout the year.

Dress and Appearance Guidelines:

Neat and proper attire has a definite bearing in providing an atmosphere conducive to study and school-work. It also reflects our Christian attitude. Parents are expected to exercise good judgment, safety, good taste and modesty regarding their children's dress and grooming. Any clothing considered to be disruptive to the Christian education process is inappropriate for school. Students not meeting our uniform code may be sent home or sent to the office for an in-school suspension at the discretion of the teacher or principal, and will be readmitted only when appropriate corrections are made. Students wearing clothing that is excessively tight, baggy, short, long, dirty, or worn will be required to change.

Academic Policy:

Class Field Trips:

To enhance the learning process, our teachers periodically plan curriculum-related field trips for students in Grades K through 8. The purpose of these trips is to enable children to grow culturally, expand their awareness of their community and to motivate them toward further study. Students may periodically have on-campus "field trips" for special events. Children are reminded that they are representatives of Reformation while on such trips and are expected to behave accordingly. Failure to do so means forfeiture of the privilege of taking part in field trips. Prior to each trip, notification will be made in the **Reformation School Newsletter and/or notes to parents from the teacher** to inform parents/guardians of the field trip. **You must notify the school in writing or see the teacher in the classroom if you do NOT want your child to participate in any scheduled activity.** If you are willing to drive for field trips, please contact your child's teachers so that the appropriate forms can be completed. You must have the principal's permission to bring a sibling on a fieldtrip at least two days prior to the scheduled field trip.

7th and 8th Grade Class Trips:

Each year the students in 7th and 8th grade participate in an educational class trip. These trips are required and participation in these events will impact their grade in core subject areas. The cost of these trips are not covered by the annual tuition. Students are urged to make the most of the fund-raising opportunities so that the expense of the trip is not a burden to their family.

School Governance:

The Congregation's School:

The members of Reformation have been committed to providing excellent Christian Education to the children in our community since 1970. The members of Reformation Lutheran Church support the school with their time, talents, and offerings. It is our goal that Reformation Lutheran School serve as an instrument the congregation uses to assist them in fulfilling their mission statement:

School Governance:

A Statement of Mission

As men, women and children united in faith and worship by the Word of God, Reformation congregation exists to make disciples, using the Word of God for:

1. *The nurture and fellowship of our people.*
2. *Mission outreach to our community and to the world by the active use and study of the Word of God, by spreading the gospel of Christ to our friends, relatives, acquaintances and neighbors and by supporting world mission work, all to the glory of God.*

The Board of Education:

Reformation Lutheran School is at all times under the control and supervision of the voters' assembly of Reformation Lutheran Church. For the sake of orderliness and efficiency, the congregation elects a Board of Education that exercises the power and authority delegated to it by the congregation. The Pastor, Principal, and Vice-Principal serve as *ex officio* members of the Board of Education. The Board of Education members, working in close cooperation, determine and adopt policies which affect the operation of Reformation Lutheran School. The Board of Education has the duty of overseeing the school's task of offering its children thorough instruction in God's Word, as well as in secular knowledge. The Financial Responsibilities Committee (FRC) is a component of the Board of Education and is responsible for matters of tuition, financial contracts, financial assistance and tuition delinquency.

The Principal:

The primary function of the Principal is to implement and follow through on all school policies as established by the Board of Education and the Congregation. The Principal is a called servant of the congregation who serves as the leader of the school faculty and as a representative of the congregation to the community.

The Vice-Principal

The primary function of the Vice Principal is to assist the Principal in his duties and responsibilities. The Vice Principal answers to the Principal and the Board of Education. The Vice Principal is a called servant of the congregation who also serves as a leader of the school faculty and as a representative of the congregation to the community

The Teacher:

The primary function of the teacher is to assist the family by providing thorough instruction in God's Word as well as secular knowledge.

Discipline Policy:

Appointments with the teacher and visits to the classroom are easily arranged and encouraged. However, we ask that all parents who wish to visit a class, speak with the teacher 24 hours prior to their visit. It is important the parent visits, phone calls and general messages do not interrupt the school day.

Volunteers helping the teachers should do their best to complete their work in the T.A. room and not in the classroom itself whenever possible.

Christian parents and students are urged to remember the obligation laid upon them by God in the Eighth Commandment, which makes it an offense to speak in a derogatory manner about each other, students, parents, families, the school, elected leaders, its teachers, or its staff.

Discipline Policy:

"If your brother or sister sins, go and point out their fault, just between the two of you. If they listen to you, you have won them over. But if they will not listen, take one or two others along, so that 'every matter may be established by the testimony of two or three witnesses. If they still refuse to listen, tell it to the church; and if they refuse to listen even to the church, treat them as you would a pagan or a tax collector.

"Truly I tell you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.

"Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven. For where two or three gather in my name, there am I with them."

Complaints from parents should be dealt with only outside the regular school hours and as a rule should be directed to the teacher involved. As stated earlier in this handbook, we expect our faculty and parents to act in accordance with scripture while dealing with conflict. Speaking to other parents and/or faculty members about the actions of others (whether they are students, other parents, or faculty members) is inappropriate and a sin against the teachings given to us in Matthew 18. When conflict arises we ask

that you handle it in the following way, and while we pray that issues will be resolved after one meeting we have listed the step by step actions you should take if you feel that the issue has not been resolved:

1. Meet personally with individual with whom you have the conflict
2. Meet personally with individual with whom you have the conflict and the Principal and/or Vice-Principal
3. Meet personally with individual with whom you have the conflict, Principal, Vice-Principal and a member of the Board of Education
4. Submit a formal written complaint to the Principal, Vice-Principal and Board of Education, Pastors, and President of the Congregation listing the grievance and the method used to try and bring resolution to the problem

Our Principal and Vice-Principal are available and encourage feedback from parents. Our goal is to work with you to provide an outstanding Christian Education for your children. Communication is a key part of effective education. Please feel free to visit with our Principal or Vice-Principal at any time.

Discipline Policy:

Discipline Philosophy:

Students at Reformation Lutheran School are expected to conduct them-selves as Christian young people at all times, whether they are in school, on the playground, attending athletic events, or participating in field trips.

God's Word is the guide for discipline in the school.

All the children attending Reformation Lutheran School must submit to the wholesome discipline of the Word of God (Ephesians 6:4). Disciplinary actions have as their ultimate goal that the children would **"Be imitators of God as dearly loved children and live a life of love, just as Christ loved us"** (Ephesians 5:1-2a).

Good school discipline is an integral part of the educational process and is necessary to reach our goal of meaningful learning experiences. The presence of habitual behavioral problems is not conducive to effective teaching-learning situations and is not tolerated.

Teachers make every effort to treat all children fairly, in accordance with God's Word. On the other hand, all must understand that students owe implicit obedience to their teachers under the Fourth Commandment. Students are expected to show this respect, not only to their classroom teacher, but also to all members of the staff. All discipline in the school must be in keeping with the principles of the Word of God. Parents having children in school automatically extend their authority to the teachers and Principal while the children are at school.

A student is responsible to know the school rules, in order to avoid the causes for disciplinary action. For the guidance and information of students and parents, the most common causes for disciplinary action are listed in the next section. *These examples are not necessarily exclusive.*

Time outs: (younger grades)

The most common form of discipline used is a time out. During a time out a child will sit away from the rest of the group for a predetermined amount of time. Once the time is served the student may rejoin their class.

Expulsion:

Expulsion is defined as the removal of the student from school enrollment. If the Principal feels that an expulsion is necessary, he will issue an indefinite out-of-school suspension until the Board of Education can meet and discuss the issue. The student's parents will be invited to attend the first portion of the meeting to discuss the issue with the Board of Education. At the end of the meeting after the Board has had a chance to discuss the matter privately, the parents will be informed of the consequence.

Discipline Policy:

Causes for Expulsion:

1. Repeated, blatant, and/or public refusal to worship our Savior
2. The sale or use of alcohol, tobacco, narcotics, or other drugs
3. Illegal dispensation of prescription drugs
4. Any assault or battery to adults or students on campus
5. Sexual misconduct
6. Repeated suspensions
7. Use of, threat to use, or possession of weapons in any form
8. Repeated bullying
9. Repeated misbehavior
10. Parental actions that are detrimental to the ministry and or education provided at Reformation Lutheran Church and School

Suspensions:

A suspension is the removal of the student from the classroom for a period of one to five days for disciplinary purposes. The Principal ordinarily implements suspensions or expulsions. However, teachers are authorized to suspend or expel a student in the absence of the Principal. The Principal will decide whether the suspension will be an in-school or out-of-school suspension.

Causes for Suspension upon First Offense:

1. Theft of any kind or unlawful possession of another person's property. Willful damage to church or school property. Parents or legal guardians are responsible for damage and restitution for damages.
2. Any act of defiance or disobedience, either in language or in action, against school personnel; or refusal to comply with reasonable requests, orders, or directions of school personnel.
3. The principal may also request the Board of Education to authorize a suspension upon first offense for other offenses.
4. Threatening, intimidating, or bullying another person.

In the above instances, the following procedures will be followed: On the first occasion, there will be an immediate suspension and a parent-teacher conference with the Principal present. On the second and any subsequent occasions, there will be immediate suspension and parents will meet with the Board of Education, or a representative committee thereof, to determine the child's status at Reformation Lutheran School.

Discipline Policy:

Causes for Suspension after Previous Warnings:

1. Engaging in fighting or assault and battery on another person
2. Use of profane or indecent language, either verbally or in writing
3. Insubordination toward teachers, Principal or other school personnel
4. Cheating

On the first occasion, the student will receive a warning by the classroom teacher and a detention, and the student's parents will be notified. On the second occasion, the student will receive a final warning from the principal, and there will be a parent-teacher conference with the Principal present. On the third or subsequent occurrences, there will be an immediate suspension and the parents will be required to meet with the Board of Education, or representative committee thereof, to determine the student's status at Reformation Lutheran School.

Appealing a suspension:

Any suspension or expulsion from Reformation Lutheran School may be appealed to the Board of Education. The parent shall present the principal with a written request, which must include the grounds for the appeal. The Board of Education shall convene at the earliest convenient time for parties concerned to hear the matter and to make a decision.

Homework during suspensions:

When a student is suspended for disciplinary reasons, the student will be given a grade of a 0% for all work missed during the suspension period. Students shall be readmitted to school upon the expiration of the suspension period. Make-up of any work missed during the suspension must be completed within one week of the suspension.

School-Parent Relationship:

While much can be credited to a Christian school for child guidance and development, it remains a fact that the child normally spends the larger portion of the day in the home. Ideally, the school serves as the arm of the home and the church; obviously, there will be more effective Christian training when these three agencies are teaching the same principles by word and example. The teacher and parents should make every effort to cooperate in the interest of guiding the child. Parents are expected to support the teacher and teachers are expected to support the parents. If a problem seems to be developing, the parents and teacher should consult privately, in accordance with Matthew 18:15-20:
