Message from the Principal: Hope Grows!

Have you ever not been able to sleep? Have you turned on the television in the middle of the night? I am always amazed by the amount of psychics that are advertised in the middle of the night. Then it strikes me that it makes perfect sense. That is when people may be up contemplating their future. Throughout history, man has tried to see their futures. Why? Because of the uncertainty our lives hold in the future.

We as Christians, know what we have in the future. Heaven is our home! Thanks to our Lord Jesus Christ who lived the perfect life that we could not, died on the cross as the sacrifice for our sins and then rose again to secure our place in heaven. We know that this world will be filled with problems; however, we don't have to worry because heaven awaits us.

Just like Jeremiah when the Lord spoke these words to him, we too can take heart in God's words: ***For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future. Jeremiah 29:11***
