Week 5 – 10/07/2016

### Message from the Principal: Live by Faith

This week we had the blessing of hearing Mr. Tim Treder lead chapel. Tim is a teacher at California Lutheran High School and their athletic director and coach. His lesson was based off the passage that Paul wrote, "For we live by faith, and not by sight (2 Corinthians 5:7)." He had one of our students put on a blindfold and then had him walk around chapel led by his voice. The student did well and didn't hit anything hard. Tim tied it in to us listening to God's Word and not the world when it comes to our living.

He went down the 10 commandments and showed us all that we don't always live by faith; however, we could look to our Savior that did keep all the 10 commandments. When we put our lives into our own hands and don't trust God that is when problems arise. Praise be to Jesus who did what we couldn't do. Mr. Treder tied it into living to give praise to our God with our voices, bodies and minds that we are here to serve our Savior.

May the Lord bless you as you live by faith, not this world. For we are set apart from the world and no longer act of this world. We bear the title of being "A Child of God". Lord's blessings to you and your family!

## Update from Mr. Bohl

Do you know where you can spot wild bison, small foxes, sharks, sting ray, seals and bio-luminescent plankton? Ask any of the 7-8th graders and they will be able to tell you! This past week the 7-8th grade class spend the entire week camping on Catalina Island. While there, we did some hiking, kayaking, snorkeling and learned so much about marine life! It was an amazing experience for everyone. Throughout the week, the students had plenty of opportunities to learn about the vegetation and animals that live on and around Catalina Island. The students got to look for constellations, learn about marine mammals, look at plankton under a microscope and even pet sharks! The Catalina trip was an amazing opportunity for our 7-8th graders to learn about God's creation in a very hands-on way. It was a wonderful opportunity for them to grow together as a class and let their lights shine and be a wonderful example of our Savior! Thank you to the two parent chaperones who helped supervise the children on our trip, the parents who helped drive us up to Long Beach so we could take the ferry over and everyone who helped make sure the students had all of the necessities packed for a successful trip! If you would like to see photos of the trip be sure to check out the [Reformation Lutheran School Facebook page](#).
