**Message from the Principal: O Come Let Us Adore Him**

Well it's here! We have seen the preschool and kindergarten students proclaim the birth of Jesus. They did a wonderful job at proclaiming the message of Christ's birth. The first through eighth graders are working very hard at their turn to give the same message. They have worked on songs and recitations for the night.

The time is here for us to adore the birth of Jesus. Just as the shepherds were excited to hear the message of Christ's birth; I hope that we too, are excited to hear the news of Jesus. This Jesus who was going to grow up and be the sacrifice for our sins on the cross. It was Jesus who was going to give us the gift of eternal life by dying on the cross and rising for us.

I hope that we will be like the shepherds and not contain this Good News. I leave you with these words from Luke chapter 2:

***When they had seen him, they spread the word concerning what had been told them about this child and all who heard it were amazed at what the shepherds said to them.***

**Update from Sarah Homan**

The Kindergarteners worked very hard to learn their songs and lines for their Christmas Program. They were very excited to present the birth of Jesus to everyone last Sunday. It is always amazing to see their faith grow as they learn their Bible Passages. In class we have continued to meet Superkid friends, who

have been helping us learn to read. The children are always excited to meet a new friend. They are working on blending sounds together to read words. In Math, we are learning about pennies and dimes and how to count to 100 by ones, fives and tens. Some of their favorite manipulatives we use are pennies, dimes, bears and dice. We have been reading fairy tales and learning about characters, setting and sequence of events. One of our favorite stories was [The Gingerbread Boy](#). We wish you all a Merry Christmas and a Christ filled New Year!
