## Fix Your Eyes on Jesus!

*Let us run with perseverance the race marked out for us,  
fixing our eyes on Jesus, the pioneer and perfecter of faith  
Hebrew 12:1-2*

## Message from the Principal – Distance Learning during COVID-19 Outbreak

Dear Families of Reformation,

We are currently living in unprecedented times during our era. With so much uncertainty, we know that there is one unshakeable truth: The love, grace, and peace of the Lord Jesus Christ is ours. May we be continually reminded of that beautiful truth through our interactions with each other.

Reformation Lutheran School, compelled by the love of Christ, exists to educate, equip, and encourage students for lives of Christian service. While this has regularly been carried out through face-to-face, daily interaction between students and staff, that option is not currently available to us. Even though we will not be in the same building during the coming days, we will continue to work toward our mission of educating students.

We are committed to you. We will continue to provide you, our families, the support you need so the critical education of your children does not stop.

For the time being, the delivery method of our education is changing. We are still committed to high quality, Christ-centered education. In order to accomplish this, we are transitioning our delivery of instructional services to distance learning. Our plan to complete that is laid out in Reformation Distance Learning document available on our website. The roll-out of this new distance learning will not be perfect. You will have many questions and we will work to answer those questions as quickly and completely as possible. As we learn and grow together, this document WILL change. We will do our best to keep you updated with the changes through communication from the classroom teachers. We ask for your patience in this.

We thank you for your commitment to the mission of Reformation, safety, and continued education of our students.

In Christ,

Mr. Michael Ross  
Principal

## Update from Ms Jen and Mrs. Lamp's classroom

We have had a lot of fun learning about different things the past couple of months. We spent some time learning about the different things in space that God created, such as the planets, the sun and moon, stars, and how we can travel into parts of space. We also learned about the animals that thrive in winter and how animals leave different types of tracks and footprints in the dirt, sand, and snow. As we get ready for Easter, we really enjoy learning about Jesus, His ministry, His miracles, and all He has done for us. He will always be with us and love us.

Mrs. Mangini's 1st and 2nd graders helped us learn to add and graph using conversation hearts. It's always special to spend time with the older children in class, in chapel on Wednesdays, and at church services. We had fun singing with the other kids in preschool, kindergarten, and grades 1-3 on February 23rd. We look forward to practicing for Easter morning service on April 12th at 8:00 am and our spring play on May 8th. We hope you can come see us those days!

## Moms Together Bible Class on Hiatus until April 9th

Moms Together Bible Class has been postponed until April 9th. We look forward to seeing you again in April!

## English Classes – Postponed

We will be offering English as Second Language (ESL) classes here at Reformation Lutheran Church but they have had to be postponed until further notice. We are sorry for the inconvenience. We look forward to resuming them in April. For more information, please call Mrs. Sandi Stone (707) 365-5226 or contact Pastor Stone at [stones@refsd.org](mailto:stones@refsd.org).

LUTHERAN SCHOOL

## Update from Ms. Bianca and Mrs. Pereira's classroom

The three-year-old class would like to share with you some of the wonderful things we have been exploring and learning.

Early in March, we learned about the post office and how we get mail, why we need stamps and how to sort mail. We followed up with cooking week, learned about measuring ingredients and recipes, got hands on and made rice crispy treats, pepperoni and chicken pizza, pudding (chocolate, vanilla and banana), as well as popcorn with real kernels in a paper bag and made homemade strawberry jelly in a zip lock bag. We have been having so much fun.

We have been learning about the ten lepers and how one came back to thank Jesus and it helped remind us about those in our world right now who are sick and how we need to pray for them.

Now onto more fun as we march into March with Dr. Seuss week and St. Patrick's day around the corner, give us a pinch to grow a inch more in our learning.

## 2020 CalLu Youth Basketball Camp Registration is Now Open!

C-Hawk Basketball Camp is available for students entering 4th-9th grades. Basketball camp is offered from June 14-17. Camp will begin with a session on Sunday night, then 2 sessions each on Monday and Tuesday, with a final session on Wednesday.

## About Us

 Facebook

The eternal truths of God's Word are the foundation of our school, its curriculum, and all its activities. Our goal in Christian education is to provide each child with the maximum development of God-given spiritual, physical, and mental abilities. We offer Christian education in our Preschool (ages 2.5-5) and Grade School (K-8).
