Reformation has taken the necessary sanitary precautions given by the health department and by the State Licensing Agency. Listed below are some of the provisional sanitary procedures we are implementing at this time

- Parents will practice the 6- foot social distancing rule around the property
- Parents will use the backside gate towards the back side of campus.
- No parents will enter the gym. You will sign your child in at the table in the back
- Children will have their temperature taken and recorded upon arrival to summer camp
- Children will wash their hands upon entering the classroom before activities and also frequently throughout the day
- All items touched by children and staff will be washed/sanitized after use and in between uses

We thank you for trusting your child in our care. We hope and pray that you and your family remain safe and healthy throughout this difficult time in our world, and we trust that God will guide us through it and bring us peace
